<td>William Davidson Institute Global Impact Internship</td>
<td>12 weeks</td>
<td>$10,000 max</td>
<td>Abroad anywhere</td>
<td><a href="http://wdi.umich.edu/students">http://wdi.umich.edu/students</a></td>
<td>Business, dedicated to provide support for international projects both at the Ross School of Business and the university as a whole. To that end, WDI provides high quality action learning opportunities for University of Michigan graduate students to work with international organizations, while at the same time providing meaningful business assistance and support to those global organizations. WDI offers two types of Internships: Student-Initiated Global Impact Internships are with organizations doing innovative work in emerging market economies identified by the applicants, such as development-oriented NGOs. WDI-Partnership Global Impact Internships are with organizations identified by WDI. These internships typically fall under the Base of the Pyramid or the Business of Healthcare core research initiatives.</td>
