General scheduling notes

1. This calendar is subject to change by actions of the Medical School.
2. It was approved by CTOC on Jan 27 and CPC on February 17, 2023.
3. Weekends that occur during a clerkship will be scheduled by that department.
4. Some clerkships have overnight call/shifts.
5. Period dates end on Sundays to keep students in active enrollment continuously, but clerkships end on the Friday of their shelf exam. The subsequent weekend is off unless a make-up shift is needed."
