

Medical Student

Q&A

Are you a medical student looking to learn more about the field of radiation oncology?

Join us for our bi-monthly Medical Student Q&A where you will have the opportunity to meet faculty and resident radiation oncologists and ask any questions you have about how radiation is used to treat cancer, career paths within the specialty, research opportunities, the residency application process, and tips for being a competitive applicant.

Sessions will be held at 8:00 p.m. Eastern time. Sign up and join us!
