New Central Michigan University Pediatric Residency Program  
Now Accepting Applications in ERAS

Central Michigan University is excited to announce our newly accredited Pediatric Residency program located in Saginaw Michigan. The program provides excellent clinical and educational experience for pediatric residents with an emphasis on primary care in a diverse community setting. Our program serves a large catchment covering the northeastern 20 counties of Michigan including both urban and rural populations. Our mission is to provide a solid education in preventive care, nutrition, and mental health to build the foundations of a well-rounded pediatrician and medical home. We are now accepting applications through ERAS with ACGME ID: 3202500001. Qualified applicants are invited to apply for 4 positions to start July 1, 2022.

For more information about our new residency program, please visit our website at [med.cmich.edu/pediatrics](http://med.cmich.edu/pediatrics) or email us at [cmepediatrics@cmich.edu](mailto:cmepediatrics@cmich.edu) or call our Pediatric Residency Coordinator Molly Gulick at 989-746-7673.

On behalf of faculty and program leadership, we look forward to meeting our first class of residents!
