

Psychiatry Research Training Meet and Greet

Join us to learn about Mount Sinai's psychiatry residency R25-funded research track and T32 fellowship, where we train academic leaders in psychiatry and neuroscience.

Come to our virtual meet and greet to learn about our pioneering residency research track and fellowship! You'll hear from Program Directors Antonia S. New, MD, and Mercedes Perez-Rodriguez, MD, PhD, the Psychiatry Department Chair René S. Kahn, MD, PhD, and the Dean for Academic and Scientific Affairs Eric Nestler, MD, PhD. The program will be followed by breakout sessions with our faculty.
