

Graduate Medical Education DIVERSITY, EQUITY, AND INCLUSION DAY

Saturday, August 19, 2023

9:00 AM - 4:00 PM Pacific Time

Starts at 9:00 AM PDT | 11:00 AM CDT | 12:00 PM EDT on Zoom

Start your residency and fellowship with UC Davis Health

The UC Davis Office of Student and Resident Diversity and Graduate Medical Education Office invites all 4th-year medical students, medical graduates, and current residents seeking to begin residency/fellowship in Summer 2024 to attend our virtual gathering to learn about residency at UC Davis via Zoom.

Participants will be able to meet with residents and faculty of historically underrepresented backgrounds and engage with leadership from multiple departments. The program will include a welcome from UC Davis Health leadership and an overview of resources and opportunities available to residents and fellows.

Participating residency/fellowship programs will host breakout sessions to discuss the application process, interview tips, and program highlights, and provide opportunities to hear from current residents//staff/faculty.
