Medical students interested in the diverse communities and patient demographics unique to Kansas are invited to spend the evening networking with residents and faculty from the five Kansas Family Medicine residency programs. These programs offer opportunities for training in rural and urban settings, at small and large hospitals, all while serving diverse patient populations.

The five University of Kansas Family Medicine Residency Programs are:
- Ascension Via Christi Family Medicine Residency (Wichita, KS)
- KU Family Medicine Residency (Kansas City, KS)
- Smoky Hill Family Medicine Residency (Salina, KS)
- Wesley Family Medicine Residency (Wichita, KS)
- KU CHCSEK (Community Health Center of Southeast Kansas) Rural Family Medicine Residency (Pittsburg, KS)

This event is sponsored by:
- Kansas Academy of Family Physicians
- KU Wichita Family & Community Medicine
- KU Family Medicine & Community Health
- Kansas Recruitment and Retention Center
