

The University of New Mexico Otolaryngology- Head and Neck Surgery residency program will host a virtual open house on Tuesday, August 31, 2021 from 6:00 – 7:30pm MST on Zoom. All candidates interested in applying to Otolaryngology this year are invited to attend. This is an opportunity for applicants to learn more about our program, the beautiful state of New Mexico, and the unique patient populations we serve. There will be a welcome by the Program Director, Dr. Duncan Meiklejohn, a description of the residency program, and introductions to our faculty and residents. We will end with a group question and answer session with our resident and faculty team. The registration link is included at the end of this email.

We look forward to meeting you and are excited to share our program with you!

*The University of New Mexico Division of Otolaryngology-Head and Neck Surgery*
