

My name is Lindsey Hancock, and I am a third-year medical student at the University of New Mexico School of Medicine and the current American Medical Student Association (AMSA) Co-President. On behalf of our AMSA Chapter, I would like to cordially invite you to participate in UNM School of Medicine's Virtual Residency Fair on **Tuesday, October 5th, from 3:30-5:00 pm (MDT)**. There is no charge for this event, and it is an excellent opportunity to meet and engage with some enthusiastic and eager medical students.

Because this year's Residency Fair will be held virtually, we ask that you provide your program representative's Zoom link in the survey pasted below. This Zoom link, as well as your program name/specialty, will be provided to students in an Excel spreadsheet to ease with transitioning from meeting to meeting.

If you are interested in participating, please click this link and complete the survey by **Friday, September 10th**: <https://forms.gle/pVZYZxeE5yU8oShM6>

Once the survey is opened, please complete all questions. The survey will not allow you to re-enter. All fields are mandatory, if the question doesn't apply to you, please write "n/a" in the appropriate fields.

We look forward to seeing you there!
